"Realizing Dreams Step by Step"

Please read through, select your performance package, fill and return the form by Aug. 25th, thanks!

2 STAR PERFORMANCE PACKAGE:

THE ANNUAL SHOW - Held **June** 2009 "At the Movies"

This is a professionally staged production with full lighting, costumes and music. The showcase provides students with valuable performance experience. Participating in the show for 1st year students or adults is optional. Students who choose not to perform are to continue with their lessons, which is vital to their training. Info packs are handed out in March. Here's a glance...

Costumes: We order costumes from professional costume houses and pass our teachers' discount on to you. Parents pay the studio for the non-refundable costumes no later than **Nov. 26th**

Cost per costume:

\$ 60.00 PreBallet

\$ 75.00 Child & Adult sizes, \$ 80.00 XLAdult

Also, You may need to purchase makeup, tights, etc.

Showcase Each family with a dancer(s) in the showcase is charged a \$70. showcase fee (same price since 1998) to cover showcase expenses such as theater rental, sets, program printing, technicians pay, etc. Please keep in mind that tuition only covers dance lessons – not the showcase. Showcase fees are **due by April 15.**

Tickets: **6 FREE tickets** are offered to each family with a showcase dancer(s).

Extra tickets are available for purchase at the studio. \$10 Adults, \$5 Children ages 4-10

Rehearsals: **FREE** Dress rehearsal will be scheduled the week of the show. This rehearsal is **MANDATORY** & helps each dance number be at their best. This helps get the dancers used to the stage and allows a practice run before the actual show. Missing a rehearsal forfeits your right to participate in the show.

Videos: **1 FREE** copy per family is available on or before Sept. 30th. Additional copies are \$15. Our shows & videos are our creative work and therefore they are copyrighted. We also want to keep our dancers & staff safe as video equipment & flash photography can cause feedback problems on stage & in the booth. For your convenience, we have our shows taped & professionally edited; So sit back and watch the show live, instead of through a 2" screen, we've taken care of it for you.

Photos: At dress rehearsal, we have professional photographers take pictures of our students in full costume and makeup. Optional Individual packages are available for purchase through Parisi Photography (appointment may be necessary).
